BlogEd Day

At the beginning of the Term, Capertee students welcomed the staff and students from Hill End, Glen Alice and Hampton Public Schools. It was an exciting day for all students to meet new friends as well as catch up with old friends from other schools.

The older students were involved in reading activities based on the novel "Around The World In Eighty Days" by Jules Verne. Mr Grossett spoke about cybersafety and then explained how to use the BlogEd tool to communicate with other students. As each chapter of the book is completed, the students will be discussing significant facts and displaying their comprehension skills through the use of sending and receiving blogs between the schools.

All schools will be meeting again on the 1st June to further develop their computer skills. A great day of exciting learning challenges has been organised!

Mother's Day

The students at Capertee Public School enjoyed choosing their Mother's Day presents from the catalogue. Mrs Barnes assisted the class as they used their skills of creativity and design to make a beautiful collage in a photo frame.

All the presents were wrapped by the excited students and given with a delightful card. Capertee School hopes all Mothers had a special day spent with their loved ones.

Tennis Lessons

All students are enjoying their tennis lessons on Wednesday morning. They have been practicing their skills and fitness. After each lesson the students enthusiastically return to the classroom with a huge smile on their face and are then ready to return to their studies.

Bunnings Visit

On Wednesday, 23rd May, Bunnings staff will be visiting Capertee school to plant some vegetables in our five large garden beds. The staff will be discussing sustainability with the students and then they will be replenishing the soil with compost and nutrients as well as planting new vegetables for the winter season.

Many thanks are extended to Bunnings for their wonderful donation to the School.

Pyjama Day!

Our student leader has an exciting day planned for our last day of term!

Students are asked to wear their pyjamas to school and provide a small donation.

ICAS

Our students from Years 3-6 are participating in the Educational Assessment Australian ICAS tests. ICAS is an independent, skills-based assessment program which recognises and rewards student achievement.

Playgroup

Our playgroup is a great opportunity for parents with young children to meet together over a cuppa, and a great chance for the children to play.

Our next playgroup will be held on Thursday 24th May. All local families with young children are welcome to attend.
